

species. In view of the foregoing analysis, Species 2, 3, 4, and 5 should be merged into a single Species. Applicants also intend to continue prosecution of generic claims 1, 9, and 35. Claims 20-34 are withdrawn.

REMARKS

Claims 1-35 are pending in the present application and have been restricted. The Applicants elect the Species 1 claims, namely, claims 2-8 and 10-19, drawn to transferring information from a remote computer to a vehicle navigation system. As indicated above, this election is made with traverse. Generic claims 1, 9, and 35 are also elected for further prosecution.

Claims 20-34 have been withdrawn, but Applicant reserves the right to file a divisional application for these claims in the event the claims elected herein are allowed. In addition, although claims 20-34 have been withdrawn, Applicants reserve the right to have these claims considered in the event that any of the generic claims are allowed.

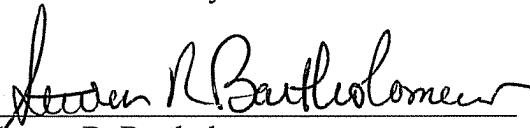

Prosecution on the merits is respectfully requested. Consideration and allowance of Claims 1-19 and 35 is respectfully requested. The foregoing is believed to be fully responsive to this office action.

CONCLUSION

No new matter has been entered and no additional fees are believed to be required. However, if any fees are due with respect to this Response, please charge them to Deposit Account No. 06-1130.

Respectfully submitted,
EDWARD E. KELLEY, ET AL.
